

Directions: As a dietary supplement, adults take one (1) tablet daily with meals, or as directed by a health care professional.

Selenium is a component of important antioxidant enzymes that help prevent cellular damage from free radicals. Selenium also helps regulate thyroid function and plays a role in the immune system.†

**Store in a cool, dry place and away from direct light.
Do not use if safety seal under cap is broken or missing.
Keep out of reach of children.**
