

**Directions:** As a dietary supplement, adults take one (1) tablet daily with meals, or as directed by a health care professional.

Potassium concentration in the cells is critical for nerve impulse transmission, muscle contraction, and heart function, as well as for carbohydrate metabolism and kidney function.†

**Store in a cool, dry place and away from direct light.**

**Do not use if safety seal under cap is broken or missing.**

**Keep out of reach of children.**
